

Hello!

My name is Amber Seibert, and I am this year's coordinator for the Minnesota Ag In The Classroom booth at the Minnesota State Fair. We are currently looking for volunteers to help us promote agricultural literacy at the state fair, and are asking for your help in promoting this opportunity to your members. I have attached a short write-up to be posted on your website, or to be released via e-mail or newsletter. Volunteer shifts last three hours, typically have two volunteers per shift, and duties include staffing the booth, facilitating hands-on activities, and answering questions.

If your group is interested, we would like to give you the opportunity to host a "Commodity Day," in which your group would provide unique activities and volunteers for that day in order to specially promote your area of the agriculture industry.

Please feel free to contact me with any questions you have about the volunteer opportunity posting or the "Commodity Day" opportunity. I can be reached by phone at 651-470-9573 or by e-mail at seib0050@umn.edu.

Thank you very much for your time, and I look forward to working with you!

Sincerely,

Amber Seibert
